Christie,

Got the Share Point Media Triage spreadsheet with contact name and email updated with the exception of those below – no info for those contacts in the spreadsheet you sent from intern:

- US. Embassy – Japanese Govt.
- Colorado Statesman
- KPNX
- Wall Street Journal

Hi Janie,

Could you please make sure there is contact info included in the Sharepoint Media Triage spreadsheet for each reporter?

Our HQ intern compiled this list of inquiries, and it should have emails included – so just go into the Triage doc, look for inquiries without contact info, then track down what you can through the attached spreadsheet. If you have missing contacts, let me know – they'll be in the press@epa.gov mailbox and I'll pull them out.

Thank you!

Christie
